BodyTalk Fundamentals in Boulder

April 13 - 16, 2012

Discover how you can profoundly enhance your health and the health of those around you. The **BodyTalk System™** is an astonishingly **simple and effective** form of energy medicine that balances and synchronizes all the systems of the body. BodyTalk uses a comprehensive protocol of questions and biofeedback to identify compromised communication lines within the body, and then uses light touch and gentle tapping techniques to help the brain restore them. The technique is totally safe and non-invasive.

For the **layperson**, BodyTalk is easy to learn. You can use it to help your family and friends, or to provide an opportunity for an exciting new career.

For the **healthcare professional**, the BodyTalk System enables you to practice holistic medicine in the truest sense of the word, and will broaden the scope of your practice. Professionals in many fields are making BodyTalk the core of their practice, including acupuncturists, chiropractors, naturopaths, massage therapists, nurses & MDs because of the great results!

Course Fee of \$1200 (up to \$150 early discount, see website) includes illustrated manual and travel charts. Register online at: www.BodyTalkColorado.com, or call (720) 288-0211.
